# MISSION STATEMENT

Here at United Pacific, we are dedicated to providing today's drivers with innovative and exciting products that deliver exceptional performance and value. Because United Pacific's continuing success depends on our customer's satisfaction, we constantly push our designers and engineers to upgrade our facilities and processes in order to bring products of superior quality and reliability to the market. We at United Pacific promise to continue our passionate pursuit to be the first in

## QUALITY, INNOVATION AND DESIGN.

### QUALITY

With over 30 years of experience in the heavy duty trucking industry, United Pacific Industries understand the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests:

AGING TEST

AIR TIGHT TEST

DUST TEST

FLUX TEST

PHOTOMETRIC TEST

PULL FORCE TEST

RAIN TEST

SALT SPRAY TEST

SHOCK TEST

TEMPERATURE TEST

HUMIDITY TEST

VIBRATION TEST

United Pacific's manufacturing partners must maintain a track record of consistent quality and low product failure rate. Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

## HOW TO ORDER

To order from United Pacific Industries, you must be an authorized dealer, distributor or OEM.

If you are not authorized to stock and sell United Pacific products, you must order through an authorized dealer. Please call 1 (310) 638-5988 for more information.

## CONTACT US

United Pacific customer service representatives are available from:

8 am - 4:30 pm PST

Toll Free: 1 (800) 790-6988  
 Phone: 1 (310) 638-5988  
 Fax: 1 (310) 638-6287  
 Email: sales@uapac.com  
 Website: www.uapac.com

## INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts.

With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months.

In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

## DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the heavy duty trucking industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic softwares. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staff by graduates from the nation's most prestigious design colleges.

Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts base on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

## Light Emitting Diodes (LED)

### Low voltage Operation

A low voltage device, LEDs draw minuscule amount of current from a vehicle's electrical system compare to incandescent devices. Low voltage draw protects and prolongs a vehicle's electrical system.

### Instant On

LEDs light up in microseconds. Research conducted by University of Michigan Transportation Research Institute indicates that motorist respond quicker to LEDs than incandescent lights.

### Rugged & Durable

Being a solid-state device, LEDs contain no moving parts and filaments to break. Produced with similar technologies as the latest microprocessor, LEDs provide unparalleled reliability and dependability.

### Cold Start Capacity

Unlike many light sources in use today, LEDs do not require any special drivers or equipment to operate in extreme cold temperature. Solid State technology allows LEDs to function in inhospitable environments, down to -40°.

## WARRANTY

With LEDs (Light Emitting Diodes) rated at 100,000 hour of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. United Pacific offers a 10 Year Limited Warranty on most LED lights. Economy LED lights are only covered by a 2 Year Limited Warranty. All LED accessory lights are covered by a 6 Month Limited Warranty.

## INVENTORY & SHIPPING

With over \$5.8 million in inventory, United Pacific carries over 8,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

## ASSEMBLED IN U.S.A

United Pacific strives to provide today's drivers with innovative and exciting products that deliver exceptional performance and value. With our international background and expertise, we search the globe for the best and most reliable products. However, as an American company, we believe and support the American way of life. Look for the "Assembled in the USA" label on many of our products. Although the components are manufactured overseas, the products, bearing the "Assembled in the USA" labels, are hand assembled with pride in the United States.

## WEBSITE

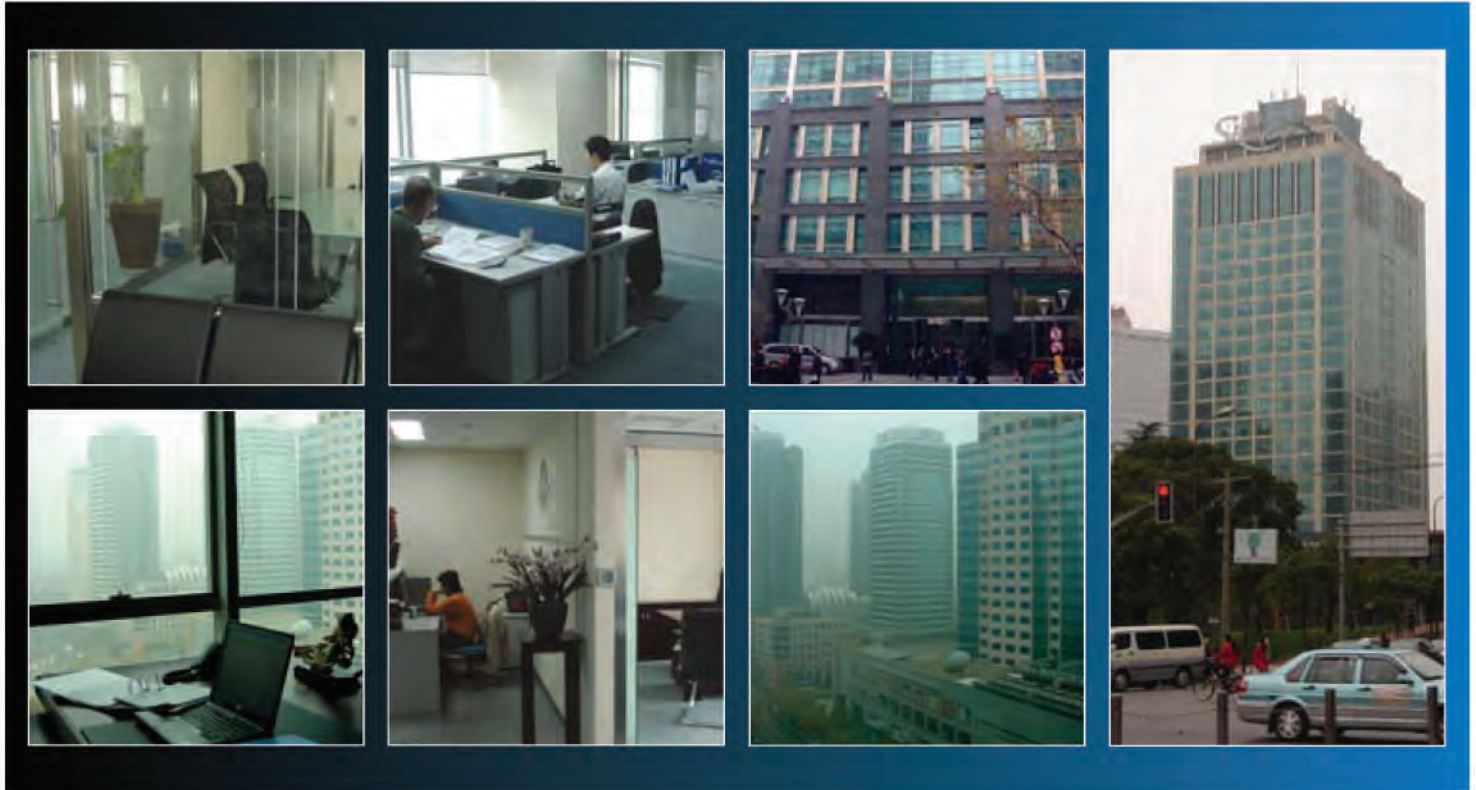

United Pacific strives constantly to improve our existing facilities and procedures. As a part of our continuous improvement process, United Pacific will soon be updating our website. The new website will be even more comprehensive and in-depth. In addition, we will incorporate an online ordering system that will enable our customer to order and receive shipping updates online. The online ordering system will only be available to authorized retailers. The new website is just another example of United Pacific's ceaseless pursuit to be our customer's only source for their chrome and lighting needs.

# Hard at work for our customers

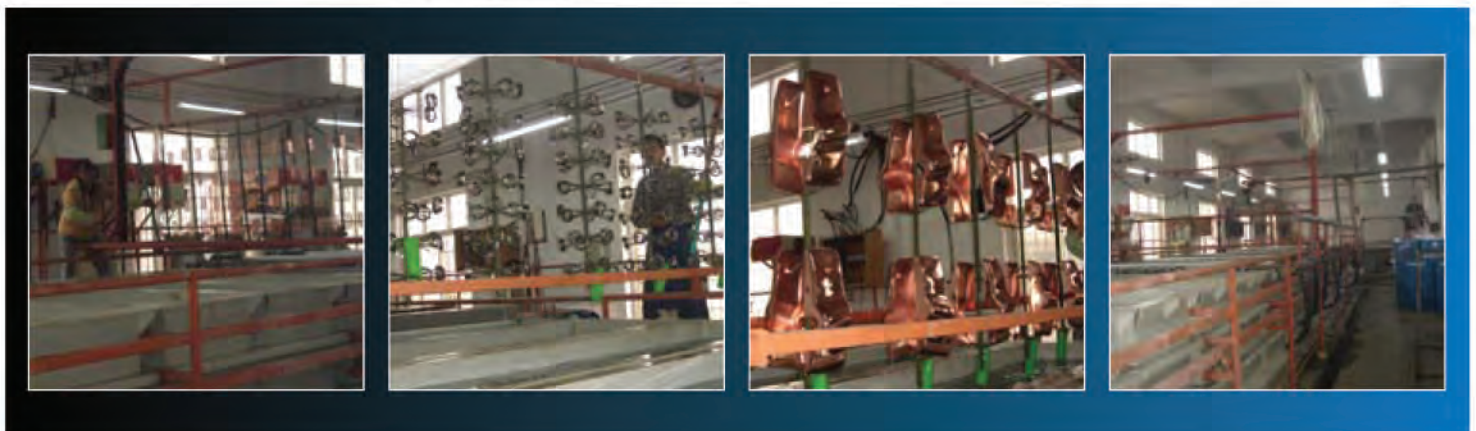

## UNITED PACIFIC SHANGHAI

In 2005, United Pacific opened United Pacific Shanghai. Staffed with 3 quality assessment engineers and 2 logistic support personnel, United Pacific Shanghai serves as United Pacific's quality control and logistics office in China. Located in the commercial center of China, the Shanghai office provides United Pacific with unparalleled access to local markets and suppliers. The open access translates into faster product development and more rigorous quality control standards. The opening of the Shanghai office means that there will be a United Pacific employee hard at work for our customers 24 hours a day in different parts of the world.

## UNITED PACIFIC CHROME PLATING

United Pacific's commitment to quality led United Pacific to invest in its own chrome plating facility. With one chrome plating line fully operational and another in construction, the chrome plating plant will ensure that United Pacific products meet our strict quality control standards. Better products mean better sales for United Pacific customers.

# Hard at work for our customers

## UNITED PACIFIC JOINT VENTURE

Here at United Pacific, collaboration is at the heart of our business. We partner with manufacturers that are as passionate about well-made and well-designed products as we are. In 2006, United Pacific entered into the ultimate collaboration. United Pacific formed a joint venture with China's largest manufacturer of heavy duty trucking products. The joint venture currently supplies all major American and Canadian after-market distributors (including United Pacific competitors) with stainless steel, chrome, and exhaust products. Because of our collaborative approach to product development and manufacturing, we're able to eliminate undue inefficiencies and cost. As a result, United Pacific customers benefit from unique products that are offered at the best possible price and the highest possible quality.

# WHAT'S NEW

### 37 LED Turn Signal Light

Available Separately

- 38548 37 Amber LED / Amber Lens

### Grakon 1000 Cab Light Installation Instruction

1. Remove OEM lens.

2. Remove rubber O-Ring, foam gasket, and clear plastic bulb base. Cut wires.

3. Reinsert thick black foam gasket, make sure foam gasket sits securely in the housing.

4. Connect wires, mount LED cab light, tighten screws.

<b>32177B</b>	Polished Aluminum	Bulk	1 Pc.

**Bracket Mounting Instruction**

359 Dual Headlight comes with 2 large mounting plates/washers. The mounting plates may be too large for some headlight brackets. In cases where the mounting plate is too large to fit the Headlight Bracket, a mounting adaptor will be needed. The mounting adaptor is available separately, item # 30369-2. Please see page 186 for detail.

**Bezel Design Change**

Due to manufacturing difficulties in making the Original Style 359 Dual Headlight Aluminum Bezel, United Pacific changed the bezel design to a smooth bezel. United Pacific apologizes for any inconveniences this may cause. Limited quantity of the Original Style 359 Aluminum Bezel is still available. Please see page 170 for detail.

30419-1	Polished Aluminum Cover	Bulk	2 Pcs.

Chrome Plastic

Chrome plastic cover a snaps onto the light, so no screws holes are visible.

Polish Aluminum

Aluminum cover screws onto the light.

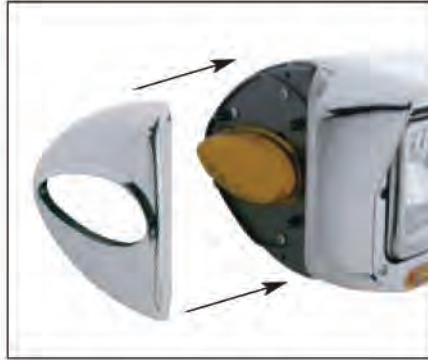

# TURN SIGNAL COVER

## LED Turn Signal Cover Installation Instruction:

1. Mount foam gasket and base onto the light.

2. Remove double side tape cover on the base. Wire LED lights to the headlight. Attach LED light to the base using the double sided tapes.

3. Snap on chrome cover.

## Turn Signal Cover Installation Instruction:

1. Mount foam gasket and base onto the light.

2. Align cover to the base.

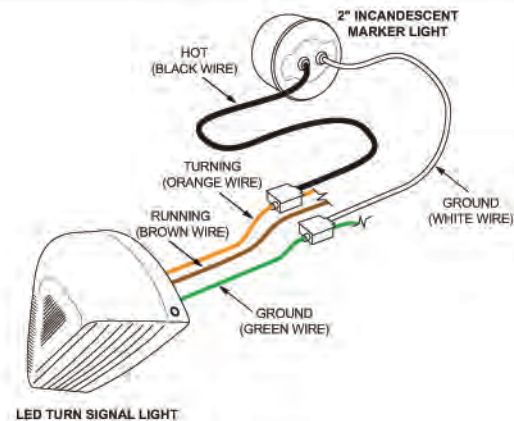

3. Snap on chrome cover.

# LED TURN SIGNAL FAQ

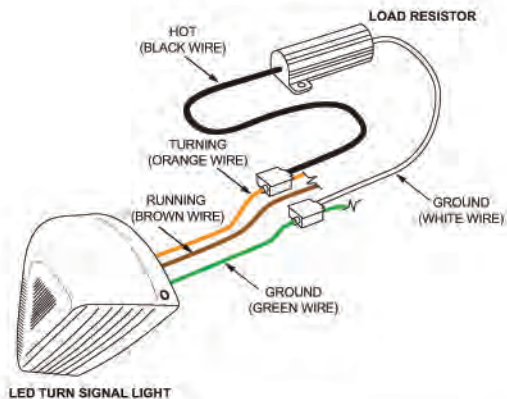

Because LED lights have much lower electrical current draw than incandescent bulbs, current in the turn signal circuit may be reduced significantly. However, in some cases the current may be so low that the turn signals/flashers might think that the bulb is burn out and 1) flash too rapidly, 2) not flash at all, or 3) flicker or stay on continuously when signaling.

There are several ways to eliminate this problem.

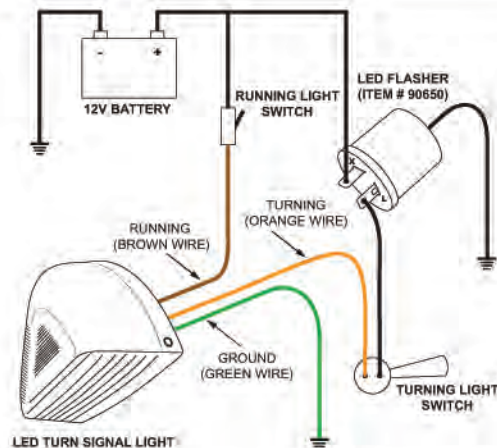

1. The simplest solution is to leave at least one incandescent lamp in the circuit. However, since eliminating the high draw and unreliability of incandescent bulbs is what LEDs are all about, this is often not the most attractive option.

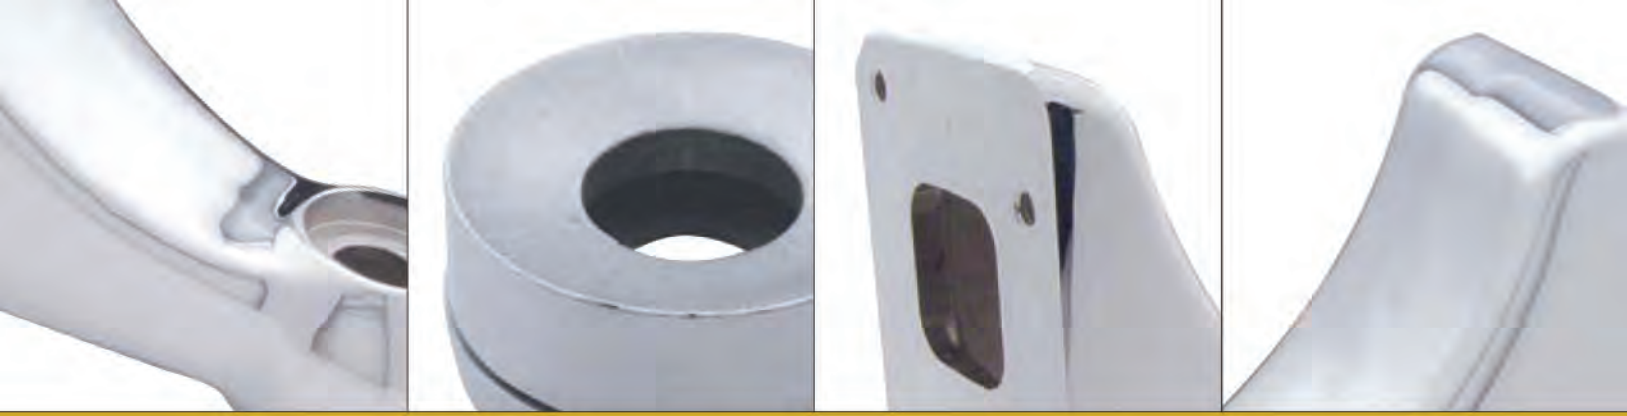

2. Add a special electrical resistor to the circuit. This prevents the flasher from malfunctioning, but it does so by eating up electrical energy unnecessarily.

3. The best solution is to replace the flasher with an LED-compatible solid state flasher that is designed to function properly even at very low load currents.

## Headlight Mounting Bracket

### Headlight Mounting Bracket

Page

Headlight Bracket

186

Headlight Mounting Plate

### L Shape Headlight Bracket

Description

- L Shape Headlight Bracket Arms
- Mounting Hole Pattern Fits 2006 and Older Peterbilts
- Available in Chrome or Polished Aluminum
- Brackets Only, Sold in Pairs

Item Number	Description	Package	Pack
30400	Chrome Aluminum	Boxed	2 Pcs./Box
30438	Polished Aluminum	Boxed	2 Pcs./Box

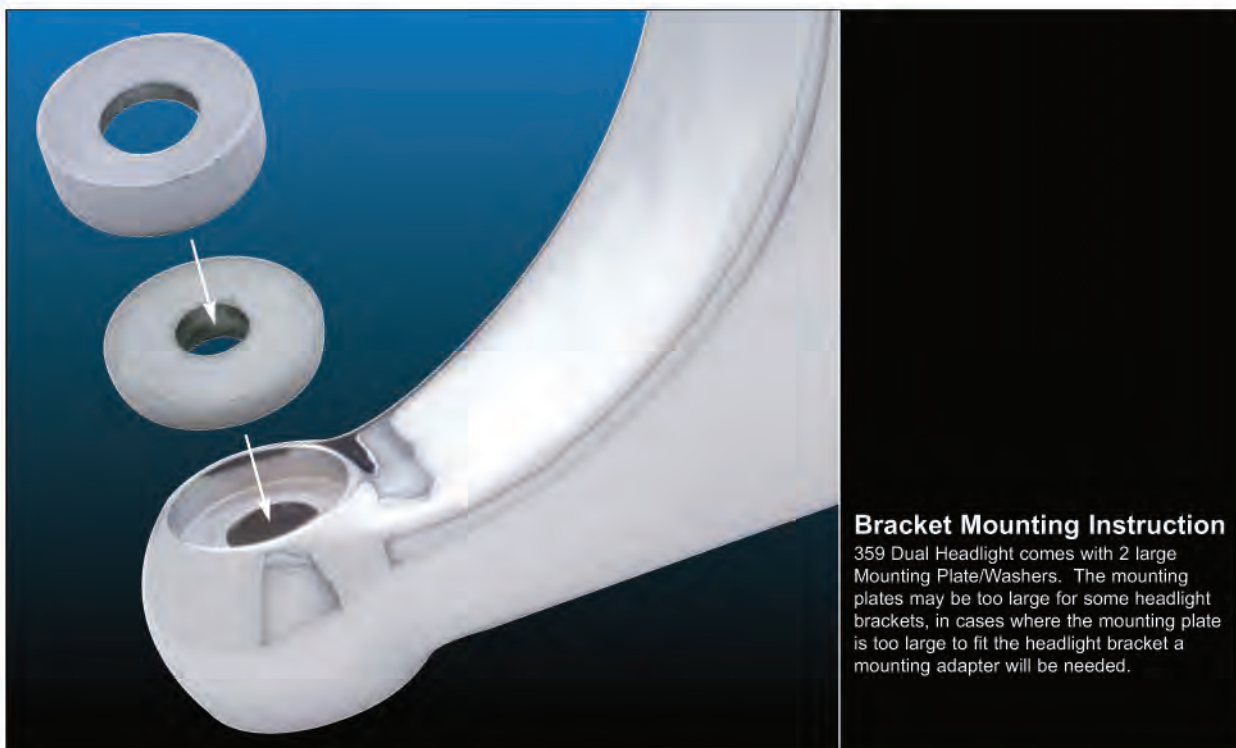

### Headlight Mounting Plate

Description

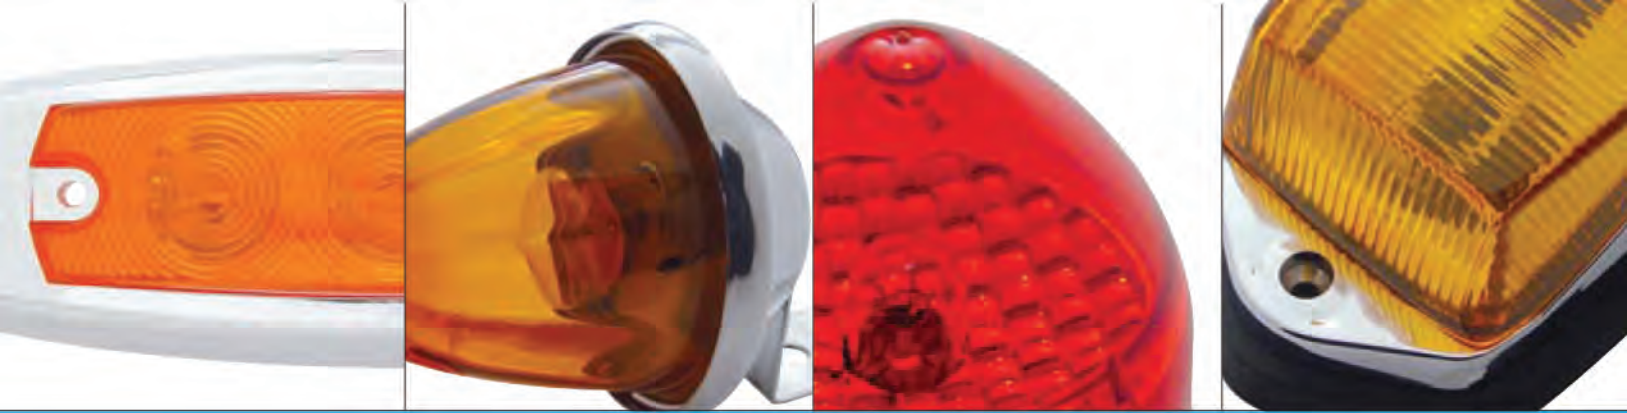

- Replacement Headlight Mounting Plate
- Mounting Plate May be required on some 359 Style Headlight Installations
- Available in Set of 2 Pieces

Item Number	Description	Package	Pack
30369-2	Mounting Plate	Set	2 Pcs.

#### Bracket Mounting Instruction

359 Dual Headlight comes with 2 large Mounting Plate/Washers. The mounting plates may be too large for some headlight brackets, in cases where the mounting plate is too large to fit the headlight bracket a mounting adapter will be needed.

**7 To 6-Way Harness Adaptor**Description

- Converts 7-Way Round Blade Connector to 6-Way Round Pin Connector
- Easily Adapts Tow Vehicle Connector to Trailer Connector
- Non-Corrosive Nylon Shell

Item Number	Description	Package	Pack
90602	7 To 6 Way Adaptor	Bulk	1 Pc.

**7 To 4-Way Harness Adaptor**Description

- Converts 7-Way Round Blade Connector to 4-Way Flat Connector
- Easily Adapts Tow Vehicle Connector to Trailer Connector
- Non-Corrosive Nylon Shell

Item Number	Description	Package	Pack
90601	7 To 4 Way Adaptor	Bulk	1 Pc.

**6 To 4-Way Harness Adaptor**Description

- Converts 6-Way Round Connector to 4-Way Flat Connector
- Easily Adapts Tow Vehicle Connector to Trailer Connector
- Non-Corrosive Nylon Shell

Item Number	Description	Package	Pack
90600	6 To 4 Way Adaptor	Bulk	1 Pc.

**Round 7-Way Connector Cord - Split Pin**Description

- Heavy Duty Connector Cord with 7 Round Pin Female Socket on Each End
- 6-12, 1-10 Gauge

Item Number	Description	Package	Pack
90603	Wire, 15 ft	Bulk	1 Pc.

**Trailer Light Converter - 5 to 4 Wires**Description

- Converts 5-Wire System to 4-Wire System
- 18G Bonded Wire with Flat 4-Way Female Connector

Item Number	Description	Package	Pack
90620	5 to 4 Wire Converter	Bulk	1 Pc.

**Trailer Light Converter - 4 to 3 Wires**Description

- Converts 4-Wire System to 3-Wire System
- 18G Bonded Wire with 24" Wire on Each Side

Item Number	Description	Package	Pack
90621	4 to 3 Wire Converter	Bulk	1 Pc.

**Trailer Light Converter - 3 to 2 Wires**Description

- Converts 3-Wire System to 2-Wire System
- 18G Bonded Wire with 12" Wire on Each Side

Item Number	Description	Package	Pack
90622	3 to 2 Wire Converter	Bulk	1 Pc.

**Trailer Light Converter**Description

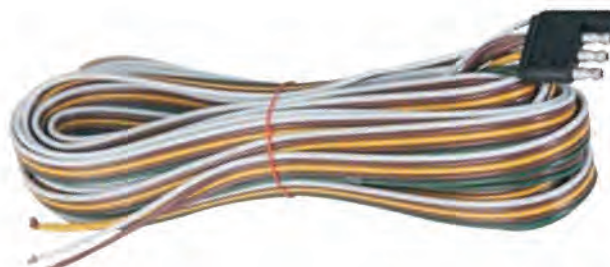

- 4 Pole Female Connector and Cover on One Side and 5 Wires on the other
- 18G Bonded Wire with 60" Wire Lead

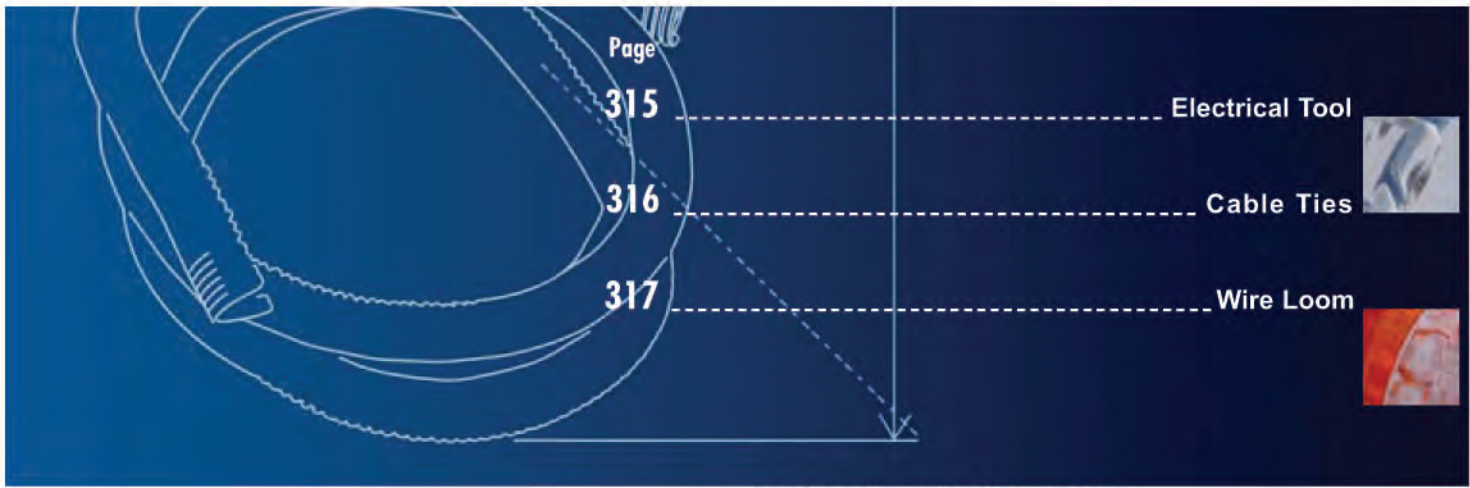

Item Number	Description	Package	Pack
90623	4 Pole to 5 Wire Converter	Bulk	1 Pc.

**Trailer Harness Kit**Description

- Flat 4-Way Male Connector with 25 ft. Lead Wire

Item Number	Description	Package	Pack
90624	25' Harness Kit	Bulk	1 Pc.

**Quick Splice Wire Connector**

Description

- Use for Quick Connections without Wire Stripping
- Design for Connecting 14 to 18 Gauge Wire in Non-Submersible Applications

Item Number	Description	Package	Pack
40108	Wire Connector	Bulk	1 Pc.

**Electrical Insulated Terminal**

Description

- 84-Piece Electrical Terminal Set
- 13 Insulated Butt Connectors for Various Wire Size
- 19 Insulated Push-Ons for Various Wire Size
- 18 Insulated Block-Spades for Various Wire Size
- 34 Insulated Ring Terminals for Various Wire Size

Item Number	Description	Package	Pack
90062	Electrical Terminal	Carded	84 Pc./Card

**Crimping Tool**

Description

- Excellent Tools for Multiple Uses.
- The Plier is a Wire Cutter, Bolt Cutter, Crimping Nest, Insulated or non Insulated Stripper for 22-10 Gauge Solid or Standard Wire

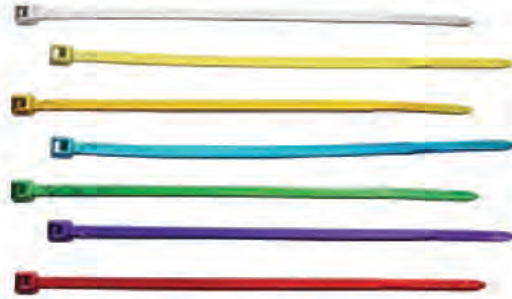

Item Number	Description	Package	Pack
90061	8' Crimping Tool	Carded	1 Pc./Card

**4" Cable Ties**Description

- 4" Plastic Cable Ties
- Available in 7 Different Colors

90317	Brass	Hang Packed	10 Pc./Pack
90318	Blue	Hang Packed	10 Pc./Pack
90319	Green	Hang Packed	10 Pc./Pack
90320	Purple	Hang Packed	10 Pc./Pack
90321	Red	Hang Packed	10 Pc./Pack

## 72" Wire Loom

### Description

- 72" Plastic Wire Loom
- Available in 3 Different Colors (Blue, Chrome, Red)
- Available in Following Sizes:  $\varnothing 1/4"$ ,  $\varnothing 3/8"$ ,  $\varnothing 1/2"$ ,  $\varnothing 5/8"$  and  $\varnothing 3/4"$

### 1/4" Diameter Wire Loom

Item Number	Diameter	Color	Package	Pack
34800	1/4"	Chrome	Hang Pack	1 Pc./Pack
34805	1/4"	Blue	Hang Pack	1 Pc./Pack
34806	1/4"	Red	Hang Pack	1 Pc./Pack

### 3/8" Diameter Wire Loom

Item Number	Diameter	Color	Package	Pack
34801	3/8"	Chrome	Hang Pack	1 Pc./Pack
34807	3/8"	Blue	Hang Pack	1 Pc./Pack
34808	3/8"	Red	Hang Pack	1 Pc./Pack

### 1/2" Diameter Wire Loom

Item Number	Diameter	Color	Package	Pack
34802	1/2"	Chrome	Hang Pack	1 Pc./Pack
34809	1/2"	Blue	Hang Pack	1 Pc./Pack
34810	1/2"	Red	Hang Pack	1 Pc./Pack

### 5/8" Diameter Wire Loom

Item Number	Diameter	Color	Package	Pack
34803	5/8"	Chrome	Hang Pack	1 Pc./Pack
34811	5/8"	Blue	Hang Pack	1 Pc./Pack
34812	5/8"	Red	Hang Pack	1 Pc./Pack

### 3/4" Diameter Wire Loom

Item Number	Diameter	Color	Package	Pack
34804	3/4"	Chrome	Hang Pack	1 Pc./Pack
34813	3/4"	Blue	Hang Pack	1 Pc./Pack
34814	3/4"	Red	Hang Pack	1 Pc./Pack

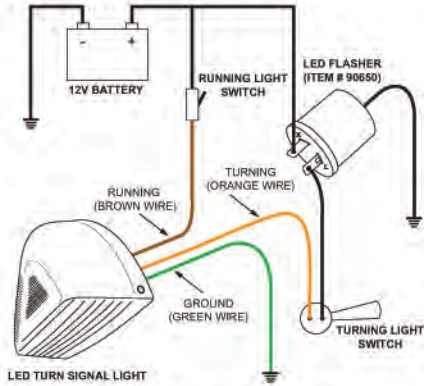

# WHAT'S NEW

## 12V Electrical Flasher

### Description

- 12 Volt Electrical Flasher
- Heavy Duty Input Lead Must be Fused
- Max 25 AMPs, 10 Lamps Power

Item Number	Description	Package	Pack
40006	12V Electrical Flasher	Bulk	1 Pc.
90650	LED Flasher	Carded	1 Pc./Card

Please See Page 175 for More Information

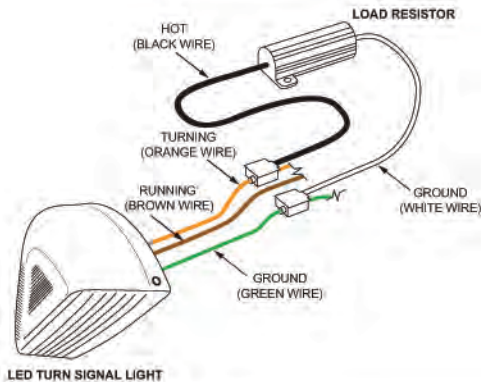

## Load Resistor - 50 Watt, 6 OHM

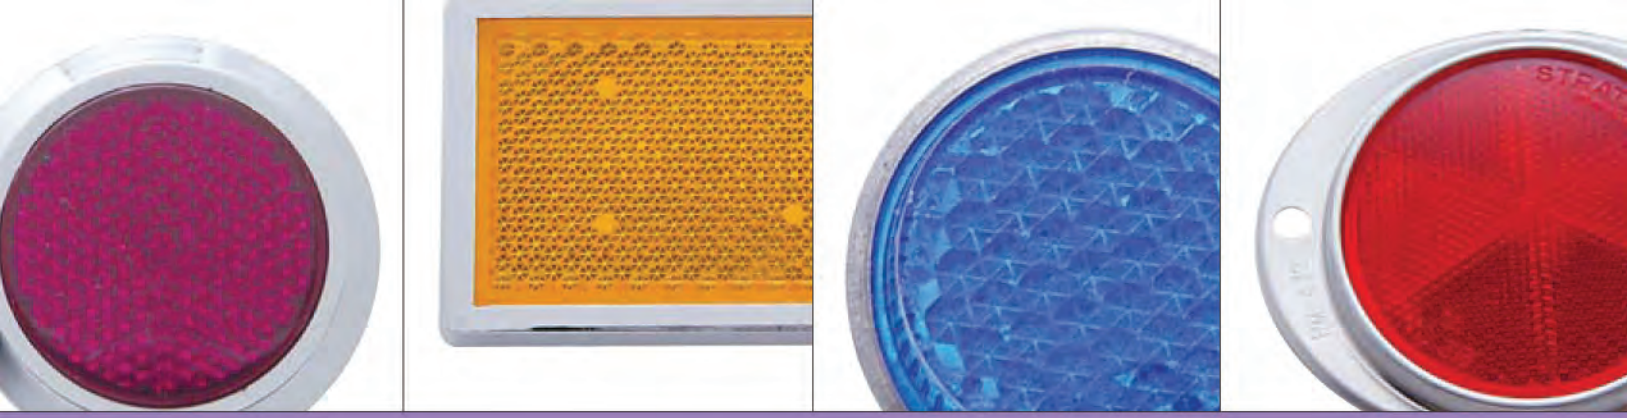

### Description

- Load Resistor, 50 Watt, 6 OHM
- Simulate the Load of an Incandescent Bulb, Solve Turn Signal Problem such as Hyper Flashing, no Flashing, or Burnt Out Bulb Indication
- Mounting Hardware Included

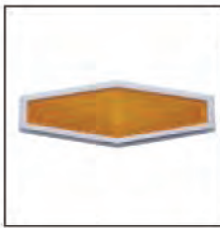

Item Number	Description	Package	Pack
34205	Load Resistor	Carded	1 Pc./Card

**IMPORTANT NOTE:** Every lamp, reflex reflector & conspicuity treatment must be permanently attached in the location specified below & must comply with all applicable requirements prescribed for it by FMVSS/CMVSS 108. The face of any device on the front/rear & sides should be, respectively perpendicular and parallel to the vehicle's centerline, unless it is photometrically certified at installation angle. No part of the vehicle shall prevent any device from meeting its prescribed requirements unless an auxiliary device meeting all prescribed requirements is installed.

**IN CANADA:** Manufacturers & importers of vehicles must have the proper certification test records demonstrating compliance of lighting components with all prescribed requirements.

**BASIC EQUIPMENT REQUIRED ON ALL TRUCKS, BUSES & MPVs**

DESCRIPTION				MANDATORY REQUIREMENTS			
Area	Equipment	SAE Lens Coding	Functional Purpose	Quantity	Color	Location	Height mm(in.) from the ground
1	Headlamps - Lower Beam US requires "DOT" lettering on lens US&Canada - light source code required on lens	(H, HR)	Forward road illumination	Minimum 2	White	On the front - symmetrical as far apart as practicable If 4 lamp system - outboard or above upper beams	560-1370 (22-54)
	Headlamps - Upper Beam US requires "DOT" lettering on lens US&Canada - light source code required on lens	(H, HR)	Forward road illumination	Minimum 2	White	On the front - symmetrical If 4 lamp system - inboard or below lower beams	560-1370 (22-54)
	Parking Lamps Vehicles less than 2032mm wide	(P)	Indicate parked vehicle	Minimum 2	White or Yellow	On the front - symmetrical as far apart as practicable	380-1830 (15-72)
	Daytime Running Lamps (DRL) Canada - required / US - option US requires "DRL" lettering on lens if not headlamp	(Y2)	Indicate in use vehicle	Minimum 2	White or Yellow	On the front - symmetrical as far apart as practicable	380 (15) min. Max. depends on type of DRL
	Front Turn Signal/Hazard Warning Lamps	(I)	Indicate direction of turn/ identify disabled vehicle	Minimum 2	Yellow	On the front- symmetrical as far apart as practicable	380-2110 (15-83)
2	Front Clearance Lamps Vehicles 2032mm wide or wider *photometrically certified at installation angle	(P2, PC* or P3, PC2*)	Show vehicle's width	Minimum 2	Yellow	At widest point - symmetrical on the front or near the front facing forward	As high as practicable
3	Front Identification Lamps (ID) Vehicles 2032mm wide or wider	(P2 or P3)	Indicate presence of a wide vehicle	Exactly 3	Yellow	On the front - center horizontally spaced 150 mm (6 in.) to 300 mm (12 in.) apart	As high as practicable or on top of the cab
4	a Front Side Marker Lamps *photometrically certified at installation angle	(P2, PC* P3, PC2*)	Front and rear side marker lamps / side reflex reflector indicate vehicle's presence and length	Minimum 2	Yellow	Each side at front as far forward as practicable	380 (15) minimum
	b Front Side Reflex Reflectors	(A)		Minimum 2	Yellow	Each side at front as far forward as practicable facing sideward	380-1530 (15-60)
5	a Rear Side Marker Lamps ** *photometrically certified at installation angle	(P2, PC* or P3, PC2*)	Rear and rear side marker lamps / side reflex reflector indicate vehicle's presence and length	Minimum 2	Red	Each side at rear as far back as practicable	380 (15) minimum
	b Rear Side Reflex Reflectors ** **not required on Truck Tractors	(A)		Minimum 2	Red	Each side at rear as far back as practicable facing sideward	380-1530 (15-60)
6	Rear Clearance Lamps Vehicles 2032mm wide or wider Not required on Truck Tractors *photometrically certified at installation angle	(P2, PC* or P3, PC2*)	Show vehicle's width MAY NOT be combined with tail lamps	Minimum 2	Red	At widest point - symmetrical on the rear or near the rear facing rearward	As high as practicable may be lower only if rear ID lamps are at the top
7	Rear Identification (ID) Lamps Vehicles 2032mm wide or wider Not required on Truck Tractors	(P2 or P3)	Indicate presence of a wide vehicle	Exactly 3	Red	On the rear - center horizontally spaced 150mm (6 in.) to 300mm (12 in.) apart facing rearward	At the top may be lower if door header narrower than 25mm
8	Tail Lamps	(T)	Indicate vehicle's presence and width	Minimum 2	Red	On the rear - symmetrical as far apart as practicable	380-1830 (15-72)
	Stop Lamps	(S)	Indicate braking	Minimum 2	Red	On the rear - symmetrical as far apart as practicable	380-1830 (15-72)
	Rear Turn Signal/Hazard Warning Lamps	(I)	Indicate direction of turn/ identify disabled vehicle	Minimum 2	Red or yellow	On the rear - symmetrical as far apart as practicable	380-2110 (15-83)
	Rear Reflex Reflectors	(A)	Show vehicle's presence and width	Minimum 2	Red	On the rear - symmetrical as far apart as practicable	380-1530 (15-60)
9	Backup Lamp	(R)	Illuminates ground behind the vehicle and alert road users	Minimum 1	White	Rear	No requirement
10	License Plate Lamp(s)	(L)	Illuminates license plate	Minimum 1	White	On the rear - above or at the sides of license plate	No requirement
11	Center High Mounted Stop Lamp Vehicles less than 2032mm wide and 4536kg	(U3)	Indicates braking	1	Red	On the rear - centerline of the vehicle	860 (34) minimum

**ADDITIONAL EQUIPMENT FOR SPECIFIC VEHICLES  
VEHICLES 9.1m (30 ft.) LONG OR LONGER**

DESCRIPTION			MANDATORY REQUIREMENTS				
Area	Conspicuity Treatment	DOT Coding	Quantity	Color	Location	Height	Options
13	Rear Upper Body Markings	DOT-C DOT-C2 DOT-C3 DOT-C4	Exactly 2 pairs of 300mm long strips	White	Rear upper corners of cab facing rearward	As high as practicable excluding fairings	
14	Rear Marking		Exactly 2 sections of min. 600mm each	Red/ White	Rear - facing rearward - on fenders, on mud flap brackets, or within 300mm below the top of mud flaps	As horizontal as practicable and not higher than 1525mm from the ground	If mud flaps not used - on the cab or frame mounted brackets

**NOTE:** The edge of red conspicuity tape shall not be closer than 75 mm to the edge of any amber lamp and the edge of white conspicuity tape shall not be closer than 75 mm to the edge of any lamp

### Truck, Bus, MPV Equipment Location Requirements

### Truck, Bus, MPV Equipment Location Requirements

**IMPORTANT NOTE:** Every lamp, reflex reflector & conspicuity treatment must be permanently attached in the location specified below & must comply with all applicable requirements prescribed for it by FMVSS/CMVSS 108. The face of any device on the front/rear & sides should be, respectively perpendicular & parallel to the vehicle's centerline, unless it is photometrically certified at installation angle. No part of the vehicle shall prevent any device from meeting its prescribed requirements unless an auxiliary device meeting all prescribed requirements is installed.

**IN CANADA:** Manufacturers & importers of vehicles must have the proper certification test records demonstrating compliance of lighting components with all prescribed requirements.

**BASIC EQUIPMENT REQUIRED ON ALL TRAILERS**

### Trailer Equipment Location Requirements

# TERMS & CONDITIONS

IMPORTANT: PLEASE READ BEFORE PROCEEDING

## INITIAL ORDERS

Initial minimum buy-in is \$2,000 (or to be determined by UPI). All initial orders must be prepaid in advance by Cashier's Check or VISA/MC.

## NEW CUSTOMER INQUIRIES

All new/potential customers must complete UPI "New Customer Info/Credit Form" and follow the Dealer Qualification Instructions.

## CREDIT TERMS

Upon completion of the credit application, approved accounts will be NET 30 DAYS (from invoice date). A service charge of 1.5% per month will be imposed on invoices not paid within the 30 day term. Account denied credit will be payment in advance or COD (with Cashier's Check or VISA/MC.) Past-due invoices will delay orders. Please check with UPI on your account status when ordering.

## NSF CHARGES

A \$30 fee will be assessed on each incidence of bounced check.

## MINIMUM ORDERS (AFTER INITIAL P.O.)

Minimum order is \$50.00. A \$10.00 handling charge will be automatically added to the invoice on all orders less than minimum order requirement.

## SHIPPING

UPI reserves the exclusive right to determine the form and method of shipping. We do not ship via U.S. Postal.

## DROP SHIPMENTS

There will be a \$10.00 handling service charge on all drop shipment orders. Drop shipment service charge will be added automatically to the invoice without notice. All drop shipment orders must be faxed in. There will be no freight allowance/prepaid for any drop shipments.

## FREIGHT POLICY

Orders between \$50.00 and \$999.00 will be shipped F.O.B. Carson, California. Orders of \$1,000 (based on UPI current pricing) or more will be shipped Freight Prepaid Ground to continental United States customers only. *Express Air orders, Special Net Pricing orders, and Special Quote Pricing orders* excluded. Freight carrier will be selected at UPI's sole discretion. Customers may request their own choice of carrier at their own expense, negotiated rates & insurance. If customers elect to choose their own carrier, order will be shipped Freight Collect.

## ORDERS

UPI strongly recommends faxing & confirming all orders (especially Express Air Shipments), add-ons, cancellations, changes, etc. UPI will not be held liable for any discrepancies from verbal orders. Returns resulting from verbal discrepancies will also incur a 20% restock charge.

## EXPRESS ORDERS

ALL Next Day, 2<sup>nd</sup> Day, 3<sup>rd</sup> Day & Will-Call orders may or may not be processed on the ordering date. Customers must confirm with UPI representatives on projected shipping date or will-call time.

## PACKAGING

A 10% service charge will be added to orders with special packaging or UPC bar-coding requirements.

## INNER BOX / MASTER CTN QTYs

In our new Price List, items with "\*" denotes "Sold in Inner Box Quantity Only". Items with "\*\*" denotes "Sold in Master Carton Quantity Only". Purchase Order quantities will be changed without notice.

## COD FEES

A \$9.00 fee will be accessed per COD box for all FedEx/UPS COD shipments. Truck COD shipment fees are to be determined later by trucking company.

## BACKORDERS

UPI reserves the right to cancel backorders that are 6 month or older from the initial invoice date.

# RETURNS / CLAIMS / WARRANTY POLICY

## RETURNS

We are offering our **NO Hassle Warranty Returns** to all customers.

All returns must be authorized by United Pacific Industries. All return requests must be faxed or e-mailed ([returns@uapac.com](mailto:returns@uapac.com)). A RMA # (Return Merchandise Authorization Number) will be provided. Returns without RMA # will be refused.

When asking for RMA, you will be required to provide the following information: Your Business Name, Contact Name, a List of the Defective Items, and Special Instructions you have for us. You are welcome to use the **RMA Claim Form** to facilitate the process.

Once we have validated the warranty item, a RMA confirmation listing the items and cost will be faxed to the customer within 3 business days. United Pacific will process the credit to your account within 30 days.

### **There will be no need to return the warranty product to us.**

However, from time to time, United Pacific may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by United Pacific.

All overstock items must have been purchased by the dealer requesting the stock return. All overstock items must have been purchased within the preceding 12 months. Items that have been discontinued will not be considered for return. Stock returns may be requested throughout the year and are subject to a maximum of 5% of prior year annual purchases.

Contact United Pacific office for Overstock RMA#. You will be required to provide the following information: Your Business Name, Contact Name, and a List of All Overstock Items.

All overstock/non-defective returns must be marked as follows:

**ATTN: Overstock Return.** RMA # must also be clearly marked on the box. Please place the packing slip inside the box.

Your claim will be reviewed within 3 business days and you will be contact by your sales representative who will discuss solutions to liquidate these overstock items. In the event United Pacific and the customer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.

All overstock items for RMA approval must not have any retail/price sticker on exterior packaging or they will be returned to you and no credit given. Items must be in good condition with original packaging intact or they will be returned to you and no credit given. Allow up to 30 days for the credit to be issued from the time the returned items are received.

All overstock returns must be Freight Prepaid by customers (no exceptions.) Returns are subject to inspection, quantity recount, and a 20% handling charge. UPI does not pay or reimburse any return freight charges.

## CLAIMS:

The person receiving the packages must count and sign for exact number of boxes received. **Do not sign for boxes received by pallet or "1**

**SWP-STC" number of pieces.** Receiver must count and sign for exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

All shortages or Initial Damage Claims must be made in writing (via fax or e-mail) within 3 days of receiving the shipment. Otherwise, claim rights will be voided.

On all shipments, the person who signs and receives the shipment is responsible for noting on the delivery Bill of Lading, in writing, if any boxes arrived damaged or shortages occurred. Failure to do so will void all claim rights between all parties. We will have no recourse against the delivery trucking company.

For miss-shipped items or damaged items, you are required to provide the following information: Your Business Name, Contact Name, United Pacific Sales Order Number, Date the Order was Received, A List of Items that were miss-shipped or damaged, and Special Instructions you have for us. United Pacific will send a return label so you can ship the items back. Once we received the miss-shipped/damaged item(s), a credit will be issued to your account on the next billing cycle.

## WARRANTY:

Please refer to page 340-345 for warranty information on LED Lights.

A limited 12 month warranty (from invoice date) against defects in material or workmanship on most incandescent lighting products.

A limited 6 month warranty (from invoice date) against defects in material or workmanship on most chrome products.

A limited 12 month warranty (from invoice date) on most stainless and aluminum products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI can not be held liable for damages caused by road hazards, accidents, misuse, neglect, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in stainless, chrome plating, and lighting products.

The United Pacific Warranty is not transferable and applies to the original installation and purchaser only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the United Pacific Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price.

Please carefully review the above terms and conditions

# 10 YEAR LED LIMITED WARRANTY

United Pacific Industries extend a Limited 10 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 10 Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 10 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 10 Year Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 10 year warranty.

The 10 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 10 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

## 10 YEAR LED LIMITED WARRANTY

(HOUSING: 6 MONTH WARRANTY ONLY)

United Pacific Industries extend a Limited 10 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 10 Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 10 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 10 Year Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 10 year warranty.

The 10 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 10 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

**Stainless and chrome housings are not covered by the above 10 Year Limited Warranty.** United Pacific Industries extend a Limited 6 Month Warranty to the original purchaser that United Pacific stainless and chrome housings are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the stainless and chrome housings to the original consumer/purchaser if the housing fails due to defects in workmanship and/or material only. The Limited 6 Month Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible will damage the housing. United Pacific Industries' 6 Month Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 6 Month Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 6 Month Warranty.

The 6 Month Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 6 Month Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

## 2 YEAR LED LIMITED WARRANTY

United Pacific Industries extend a Limited 2 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 2 Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 2 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 2 Year Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 2 Year warranty.

The 2 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 2 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

## 2 YEAR LED LIMITED WARRANTY

(HOUSING: 6 MONTH WARRANTY ONLY)

United Pacific Industries extend a Limited 2 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 2Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 2 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 2 Year Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 2 year warranty.

The 2 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 2 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

**Stainless and chrome housings are not covered by the above 2 Year Limited Warranty.** United Pacific Industries extend a Limited 6 Month Warranty to the original purchaser that United Pacific stainless and chrome housings are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the stainless and chrome housings to the original consumer/purchaser if the housing fails due to defects in workmanship and/or material only. The Limited 6 Month Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible will damage the housing. United Pacific Industries' 6 Month Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 6 Month Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 6 Month Warranty.

The 6 Month Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 6 Month Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

# LED TURN SIGNAL FAQ

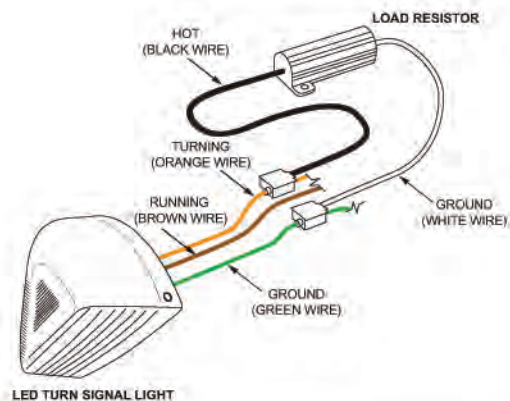

Because LED lights have much lower electrical current draw than incandescent bulbs, current in the turn signal circuit may be reduced significantly. However, in some cases the current may be so low that the turn signals/flashers might think that the bulb is burn out and 1) flash too rapidly, 2) not flash at all, or 3) flicker or stay on continuously when signaling.

There are several ways to eliminate this problem.

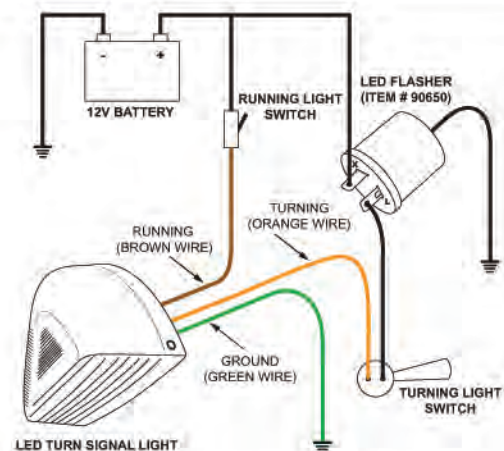

1. The simplest solution is to leave at least one incandescent lamp in the circuit. However, since eliminating the high draw and unreliability of incandescent bulbs is what LEDs are all about, this is often not the most attractive option.

2. Add a special electrical resistor to the circuit. This prevents the flasher from malfunctioning, but it does so by eating up electrical energy unnecessarily.

3. The best solution is to replace the flasher with an LED-compatible solid state flasher that is designed to function properly even at very low load currents.
