QUALITY

With over 30 years of experience in the automotive aftermarket industry, United Pacific Industries understands the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests and maintain a track record of consistent quality and low product failure rate.

- Photometric Test
- Rain Test
- Shock Test
- Humidity Test
- Pull Force Test
- Salt Spray Test
- Temperature Test
- Vibration Test

Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts. With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months. In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the automotive industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic software. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staffed by graduates from the nation's most prestigious design colleges. Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts based on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

WARRANTY

With LED (Light Emitting Diodes) rated at 100,000 hours of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. Purchase with confidence, United Pacific offers a complete line of LED lighting products with extended or limited lifetime warranties. Please see the warranty policy page for more details.

INVENTORY AND SHIPPING

United Pacific carries over 20,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

LEED ACCOMPLISHMENTS

Sustainable Sites

- On-site bicycle storage, showers and changing areas for company employees.
- Preferred parking for low-emitting, fuel-efficient and carpool vehicles.
- Storm water is infiltrated on-site and treated to remove contaminants to reduce environmental impact on local waterways.

Water Efficiency

- In addition to using reclaimed water, drought-tolerant plants and a high-efficiency irrigation system were installed to reduce the use of potable water for irrigation by 100%.

Energy and Atmosphere

- Efficient HVAC equipment and a lighting system with daylight controls reduces energy consumption by over 30%.
- Enhanced commission verifies that the building's energy and water-related systems are performing as intended by the initial design.

Indoor Environmental Quality

- Building ventilation systems was designed to provide enhanced levels of fresh outside air to building occupants.
- Interior finishes (plants, sealants, adhesives, coatings, carpet systems and composite wood) were selected with low levels of volatile organic compounds (VOCs) to reduce indoor air contamination.

Terms & Conditions / Ordering Guidelines / Freight

New Accounts

Initial buy-in amount and/or quantity is to be determined by United Pacific Industries, UPI hereafter. All initial orders must be prepaid in advance by Cashier's Check or VISA/MC/AMX. All new/potential accounts must complete a UPI "New Dealer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check, ACH or Bank wire or VISA/MC/AMX.

Payment Terms

Term Accounts: Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH (Automated Clearing House), or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30-day term. Delinquent accounts will be required to pay Cash-In-Advance (CIA). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

Credit Cards

Accounts denied credit terms may be given the option to pay by Visa, MasterCard or American Express. The credit card will be charged upon shipment. A 3% service fee will be added to the invoice. Credit card payments will not be accepted once an order has been shipped. UPI does not accept Discover card.

COD

There is no COD payment offered.

Returned Checks

A \$30.00 NSF (Non-Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

Ordering Guidelines

Placing Orders

New orders and PO's may be placed by any of the following methods:

- Dealer Portal
- Fax: (888) 986-5988
- E-mail: sales@upauto.com
- Telephone: In order to minimize errors, dealers are encouraged to submit their orders by fax or mail. Telephone orders are generally not preferred as to minimize errors. Utilize one of the methods above for placing orders.

Changes to Orders

Once orders are released for picking changes are no longer possible. Dealers would have to submit a new PO for any additional items needed.

Canceling Orders

Cancellation of Stock orders must be submitted via fax or email within 24 hours of the order date. If the Stock order has already shipped it will be the dealer's responsibility to return the order at the dealer's own expense. A restocking fee may apply, please see "Return" policy for further detail. Drop Ship orders cannot be canceled due to the priority processing.

Backorders

Dealers have the option of having their backorders shipped or canceled. UPI will notify dealer as to availability of backorders and will be able to ship any backorder items dealer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 2 month or older from invoice date.

Minimum Order

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

Packaging

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

Lead Times

Standard lead time for all United Pacific Stock orders is 5 business days from the receipt of the purchase order. Larger Stock orders may require a lead time of up to 7 business days. Drop Ship orders generally ship in 2 business days or less. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express orders are exempt; please view Freight/Shipping Policy for further detail.

Order Confirmation

United Pacific will acknowledge receipt of orders by email or EDI within 1 business day of receiving the PO. If confirmation is not received, please contact UPI to ensure your order was received.

Prepaid Freight

Stock orders between \$.01 and \$1,999.99 (US Lower 48 States and Canada), \$.01 and \$3,299.99 (Alaska and Hawaii), [all price net US\$], will be shipped FOB Long Beach, California. Stock orders of \$2,000.00 (US Lower 48 States and Canada), \$3,300.00 (Alaska and Hawaii), [all price net US\$], or more will be shipped Freight Prepaid Ground to a single location only. Exclusions on prepaid: 1) Grille Guard (item# 80000) will always ship FOB Long Beach. 2) Express NDA and 2-day orders, Special Net Pricing orders, and Special Quote Pricing orders ship FOB Long Beach. All drop shipment orders will be assessed a 5% processing fee. Drop shipment processing fee will be automatically added to the invoice without notice. No freight allowance or prepaid freight will be permitted for any drop shipment. All drop ship orders, regardless of order size, are FOB Long Beach, CA. A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00. United Pacific reserves the right to select the carrier of our choice. Freight paid orders do not include extra services such as liftgate fee.

Will Call Orders

Will Call orders can be picked up in 1-3 days after placing the order. Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when order will be ready. Sorry no same-day pick-up allowed. Will Call hours are 8:30AM - 4:00PM PST.

Shipping Policy

International Shipments

Shipments to locations outside the continental United States will be shipped to the dealer's shipping agent or broker within the continental United States in accordance with the US freight policy. International dealers will be responsible for the duties and taxes of their respective country.

Express Orders

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be emailed, faxed, or sent via EDI. Order confirmation will be sent to the dealer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Dealers are required to sign off on express orders and send confirmation back to UPI. Cut off for express order is 10:00AM PST (Pacific Standard Time). Express orders received after 10:00AM PST will ship the next business day. Please contact UPI to confirm projected shipping date or will call time. Due to the high cost of express shipments, dealer may request UPI to notify them of freight charges. If dealer does not request confirmation, UPI will ship the express order.

Drop Shipments

All drop shipment orders will be assessed a 5% handling fee and will be automatically added to the invoice without notice. All drop shipment orders must be emailed, faxed, or sent via EDI. No freight allowance or prepaid freight will be permitted for any drop shipment; thus, all drop ship orders regardless of order size, are FOB Long Beach, CA

Claims

General Policy

All claims (Shortage, Mis-Shipped, Damage, Overage, Dealer Error & Billing Error) must be submitted to UPI within 3 business days of the receipt of shipment. Claims submitted beyond 3 business days of the receipt of shipment will be voided by UPI.

On all shipments, the person who signs and receives the shipment is responsible for noting on the Bill of Lading, in writing, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties. UPI will have no recourse against the trucking company if dealer does not note any damages or shortages on the Bill of Lading.

The dealer's receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

Shortages / Mis-Ships / Damages

While UPI strives to fill every order with 100% accuracy, on occasion an item may get shipped in error or get damaged during shipping. In the event this occurs, please follow the process below. Note: This type of claim must be reported to UPI within three (3) business days of receiving the order.

1. Contact the United Pacific office to initiate the claim. To make it easy for you we have two acceptable methods for requesting the claim:
 - Email: returns@upauto.com
 - Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information:
 - Your business name
 - Contact name and telephone number (in case we have questions)
 - Date the order was received
 - A copy of the Packing List / Invoice noting the item number and quantity that was shipped in error or damaged during shipping.
 - Special instructions you have for us.
3. UPI will send a return label so you can ship the items back.
4. Once we receive the miss-shipped/damaged item(s) a credit will be issued to your account on the next billing cycle.
 - Shortages will be credit to the Dealers' account, unless dealer would like the shortages replaced.

Overages

UPI strives to provide our dealers with the best dealer service and products, in turn we would greatly appreciate any help from dealer in notifying UPI of any shipping overages. Dealers will be offered the option of retaining the merchandise or returning the merchandise to UPI at UPI's expense. If the items are to be returned, an RMA number and return shipping label will be provided.

Dealer Errors

Any item or quantity ordered in error by the dealer may be returned by contacting UPI for a RMA number.

1. We have two acceptable methods for requesting the RMA:
 - Email: returns@upauto.com
 - Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information.
 - Your business name
 - Contact name and telephone number (in case we have questions)
 - A list of the items number and quantity ordered in error
 - Special instructions you have for us
3. UPI will review the request to ensure the products are within the return period.

Claims / Warranty / Returns

4. Once we have validated the request, United Pacific will issue an RMA number to the dealer. In issuing the RMA approval, the following conditions will apply:
- Returned items are subject to a 20% re-stocking fee.
 - Return shipping costs are the responsibility of the dealer.
 - Items must not have any retail/price sticker on exterior package/box/card or they will be returned to the dealer at dealer's expense and no credit given.
 - Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be returned to the dealer at dealer's expense and no credit given.
 - Allow up to 30 days for the credit to be issued from the time the returned items are received.

Billing Errors

Billing errors should be reported to UPI within 3 business days of invoice receipt. Dealers are asked to provide the invoice number, part number, and quantities in question. Once verified, UPI will issue a credit or an invoice for the difference in billing error.

Warranty

General Policy

UPI offers a NO HASSLE WARRANTY RETURN policy. Warranty claims can only be submitted through an authorized UPI Distributor. UPI warranty is not transferable and applies to the original installation and purchase only. UPI warranty varies by product and each item's warranty period is stated on UPI's product web page. In no event shall UPI be liable for incidental or consequential damages, nor shall UPI be liable for any claims or damages arising out of or connected with the UPI warranty which exceed the purchase price of the products.

There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. The warranty does not apply to products which are damaged or made defective by faulty or incorrect installation. UPI reserves the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warrantied products with redesigned products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI cannot be held liable for damages caused by road hazards, accidents, misuse, neglect, water intrusion, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in aluminum, chrome, stainless steel and light products. UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price, which price ever is lower.
